
Reprint a check in CFC

It is possible to reprint a check in Configuration Center. For example, if a customer forgot to get his or her check, you can reprint it and send it via e-mail. See below for details.

Log in to Configuration Center with your user account. Go to **Reports -> Aloha Point-of-Sale ->**

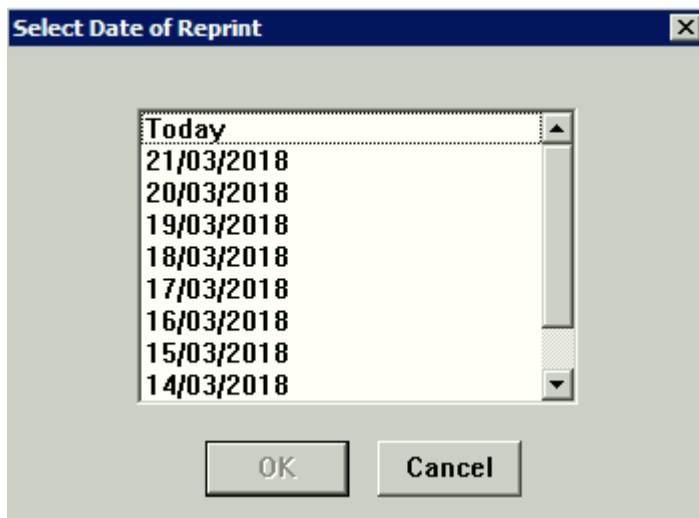

Reprints

C <u>h</u> eckout	
P <u>a</u> yment Reconciliation	

Choose the day you need a reprint from.

Choose the check you want to reprint. You can sort the list in the **Sort checks by**. Click **Reprint** when the wanted check has been found.

Choose how you want to reprint the check. If you have a printer attached, you can print the check. If you have a PDF viewer installed, you can print it as PDF and e-mail it to the customer.
